

HLTAID012 Provide First Aid in an education and care setting

COURSE INFORMATION - Units Delivered

- **HLTAID012 - Provide First Aid in an education and care setting**
- **HLTAID011 - Provide First Aid**
- **HLTAID010 - Provide basic emergency life support**
- **HLTAID009 - Provide cardiopulmonary resuscitation**

It is recommended this unit be renewed every 36 months in line with industry standards.

About the Course

This course provides practical training for workers within an education and care setting to respond to first aid emergencies in line with legal and workplace requirements, Australian Resuscitation Council guidelines and other Australian national peak clinical bodies.

It teaches how to identify illness or injury, access emergency services, safely provide first aid treatment using action plans, equipment and resources, for CPR, defibrillation, administering an autoinjector for anaphylaxis, administering asthma medication, immobilisation for envenomation, fractures, dislocations, sprains and strains, for bleeding and shock and other conditions.

You will learn basic anatomy, physiology and the differences between adults, children and infants relating to CPR, managing an infant or child with an acute illness, or who requires an immediate ambulance response and conveying incident details to parents, caregivers and emergency services.

The course covers completing incident documentation and debriefing for improvement of response, recognising psychological impacts, talking with children about their emotions and seeking help as required.

Entry Requirements

- Participants must have the physical capacity to perform the practical demonstrations such as 2 minutes of uninterrupted CPR on the floor and performing rescue breathing techniques on manikins.
- Pre-course study: Students may be required to undertake online pre-course work prior to attending the face to face session depending on the course delivery mode.
- Online study: Students must have access to a computer, smartphone, tablet or other electronic device with access to the internet to complete the online / pre-course studies.

Course Duration

Course durations can vary for multiple reasons, so the durations below are the ***minimum possible amount***.

- **Face-to-Face** - 9 hours (minimum) full face to face course
- **Blended delivery** - 7 hours (minimum) face to face course with the additional 2 hour self-paced learning to be completed prior to attending the face to face course
- **Refresher training** - 7 hours (minimum) face to face – conditions apply for this option, for example, you will need to provide previous current certificates
- **Online with face-to-face assessment** – self-paced online learning with a scheduled 60 minute (minimum) face to face practical assessment

Assessment Requirements

Performance tasks and Practical scenarios

- Simulated First Aid Scenario – Perform CPR on an adult (incl. the use of an AED and placing a casualty into the recovery position)
- Perform CPR on a child
- Perform CPR on an infant
- Manage a casualty with anaphylaxis
- Manage a casualty with asthma
- Manage a choking casualty
- Manage a casualty with non-life-threatening bleeding and shock, requiring minor wound cleaning
- Manage a casualty with a nosebleed
- Manage a casualty with a fracture and dislocation

- Manage a casualty with a sprain and strain
- Manage a casualty with envenomation (snake/ funnel-web spider bite)

Theory assessment – A written assessment consisting of multiple-choice questions.

Course Fes & Payments

- Please refer to our booking calendar for individual course fees.
- Refund and fee protection policy – Please refer to the student handbook (<https://allenstraining.com.au/students/student-handbook>)
- Payment Terms – Payment for individual participants is upfront, group booking payment terms are based on agreement between the client and service provider.

Public Course only - \$160.00

Training will be conducted on-site or in an agreed location between the client and provider.
