

## **PUAFER005 Operate as part of an emergency control organisation – Warden**

### **COURSE INFORMATION - Units Delivered**

- **PUAFER005 Operate as part of an emergency control organisation**

It is recommended this unit be renewed every 36 months in line with industry standards. Locate the most current training package at [training.gov.au](http://training.gov.au)

### **About the Course**

This course has been designed for individuals who are required to implement an emergency response as specified in the facility emergency procedures or specified by a person at a higher level in the emergency control organisation (ECO). Individuals who undertake this work will be working within the command, control and coordinate structure of the ECO. It includes undertaking pre-emergency planning, taking appropriate actions in an emergency and assisting with post emergency activities.

The course has been developed to cover a broad range of emergencies and facilities as considered in Australian Standard 3745 and Australian Standard 4083. It applies to employees in the workplace within all industries and in all contexts.

Participants in this course will learn how to effectively:

- Apply Work, Health and Safety (WHS)/Occupational Health and Safety (OHS) requirements
- Assist occupants who may require assistance
- Assist with post emergency response activities
- Comply with legislation, industry standards, codes of practice and regulations
- Contribute to facility emergency planning
- Give clear directions to occupants and visitors
- Implement safe work practices
- Initiate and control initial emergency response
- Respond to emergency signals and warnings
- Take on a leadership role within emergency control organisation and/or a deputy role for other emergency control organisation positions
- Undertake pre-emergency planning
- Use communications systems
- Wear required emergency control organisation identification

## Entry Requirements

Participants must have the physical capacity to complete all practical demonstrations. This includes wearing suitable identification, assisting occupants and using communications systems.

Pre-course study: Students may be required to undertake online pre-course work prior to attending the face to face session depending on the course delivery mode.

Online study: Students must have access to a computer, smartphone, tablet or other electronic devices with access to the internet to complete the online/ pre-course studies.

## Course Duration

Course durations can vary for multiple reasons, so the durations below are the ***minimum possible amount***.

- **Refresher** Face to Face contact time of at least 4 Hours
- **Face-to-Face** Face to Face contact time of at least 4 Hours
- **Online with face-to-face assessment** Face to Face contact time of at least 45 Minutes.

## Assessment Activities

Assessments conducted during face-to-face training session(s) include:

- Performance tasks
  - Undertake pre-emergency planning
  - Operate as part of the ECO in a fire emergency
- Documentation - The student must complete the following to the appropriate standard:
  - Emergency equipment fault log
